

MAXWOOD

A2 - Auditorium Seating

The A2 seats are automatic folding, auditorium seats. They are very robust, fully upholstered, and of an attractive appearance. The curved seat and back are both fully supported by a very strong powder coated steel pressing which also conceals the auto-tip counterweight.

A variation of the A2, the A2.B comes with all the features of the standard A2.

- Guaranteed for 3 years
- Comfortable padded seat
- Gravity tipping seat
- Quiet operation
- Minimum floor obstruction for cleaning
- Quick-change upholstery
- Optional acoustic model

G4 - Swing-Away Seat

The G4 has a fixed table with individual swing away seats, which allows access and egress along the back of the seat. Each seat is pivoted on a swinging arm and will rotate 180°.

- Guaranteed for 3 years
